From (Name) M. R. Ry. H. Ganapathi Rau, Avergal,

(Designation) President, Taluk Board, Uppinangady

To The Secretary to the Government of Madras,

Local Self-Government Department.

Through

The President, District Board,

South Kanara.

Sir,

I have the honour to state that during the heavy floods of the 6th August last at Uppinangady all the Board's buildings as well as those of private --- persons were submerged under water and the havoc --- finally ended in the collapse of the Sub Assistant --- Surgeon's Quarters, the Girls' school and the ---- Chuttram buildings belonging to the Board damaging the applliances of the Dispensary which was therefore ---

ordered to be closed temporarily and the medical subordinates were ordered to do duty in the neighbouring medical ---- institutions. But as an outbreak of Cholera was apprehended in the locality, the Medical Officer was ordered to reopen the Dispensary and was allowed to occupy a portion of the Dispensary building for his Quarters. The Dispensary --- continued to run thenceforward.

2. When the question whether the Dispensary was ---- absolutely necessary in the locality was referred to the Taluk Board in September last, they, with a view to effect retrenchment in the expenditure of the Board which cannot make both ends meet together, decided to convert the Allopathic Dispensary into an Ayurvedic one. But the difficulty of securing the services of an efficient Ayurvedic Physican of this District came in the way and the matter was again referred to the Taluk Board.

3. The Taluk Board after deeply considering the question and in consonance with the resolution of the --- District Retrenchment Committee appointed in G. O. No. 2043 L & M dated 17.9.23 , finally decided to close the Dispensary with effect from the 1st of February next. A -- copy of the Taluk Board resolution is submitted herewith, for favour of information . In this connection I may state that the annual land cess credits amount to Rs 19,000 while 21,000 is annually spent by the Board on Public Health, the Uppinangady Dispensary alone absorbing Rs 3,000.

VIII

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT

B.G.

Forwarded to Government.

A memorial received from the residents of Uppinangady protesting against the Taluk Board's proposal was sent to the President of the Uppinangady Taluk Board on 3rd January 1924 for disposal.

The District Medical Officer who was present at the Retrenchment Committee meeting held recently expressed his opinion that if finances do not permit, it is better to close the allopathic dispensaries than to convert them into Ayurvedic ones.
